MEMORANDUM TO: Write Your Own Principal Coordinators and the

National Flood Insurance Program Servicing Agent

FROM:

Robert F. Shea

Acting Administrator

Federal Insurance and Mitigation Administration

SUBJECT:

Extension of the Grace Period for Payment of National

Flood Insurance Program Renewal Premiums

The Standard Flood Insurance Policy (SFIP) provides that the term of the policy commences on its inception date and ends on its expiration date, and if the policyholder is to assure that the coverage is renewed for a contract term, without a lapse in coverage, the renewal premium payment must be received by the National Flood Insurance Program (NFIP) Insurer within thirty (30) days of the expiration date of the policy.

In September, due to the nationwide shutdown of the airline system, I issued a waiver extending the renewal grace period by ten (10) days. That extension applied to policies with grace periods ending September 11, 2001, through October 1, 2001. The recent shutdown of various post offices and postal distribution facilities around the country has caused additional concerns about delays in receipt of renewal premiums by the NFIP Servicing Agent, Write Your Own Companies, and their Vendors. The concern about the possible lapses in coverage and the subsequent denials of claims occurring during a gap in coverage compels me to again extend the thirty (30) day grace period for receipt by the NFIP of flood insurance renewal premiums.

Accordingly, pursuant to the provisions of the SFIP dealing with waivers (see General Conditions section of each of the three SFIP policy forms):

- The SFIP renewal provisions are hereby waived to provide that the 30-day grace
 period for receipt of the renewal premium payment after a policy's expiration date is
 extended for an additional fifteen (15) days. This extension is applicable to all
 policies with a grace period ending October 2, 2001, through December 31, 2001.
 For example, for a policy with a grace period ending on October 14, 2001, the
 renewal premium payment would have to be received by the NFIP Insurer on or
 before October 29, 2001. As to a policy with a grace period ending date of
 January 1, 2002, or later, the normal thirty (30) day grace period will apply for
 receipt of the renewal premium payment.
- This waiver applies to all NFIP policies, whether issued by the NFIP Servicing Agent or through one of the Write Your Own Companies.

It should be kept in mind that no claim that occurs after the expiration date is payable unless the renewal premium is actually received by the NFIP insurer on or before the last day of the grace period as extended by this waiver.

We will continue to monitor the situation, and it necessary, we will make revisions in this waiver.
