MEMORANDUM FOR: Write Your Own (WYO) Principal Coordinators

FROM: Howard Leikin   
Deputy Administrator for Insurance  
Federal Insurance and Mitigation Administration

SUBJECT: Target Marketing

During the January 2002 meeting of the WYO Marketing Committee, members expressed interest in receiving data to improve their target marketing of flood insurance.

Enclosed is a report listing NFIP communities with high numbers of structures in the special flood hazard areas (SFHAs) and low flood insurance market penetration.

We hope this information will assist WYO companies interested in focusing their marketing efforts towards communities with significant market potential.

We welcome your feedback about the usefulness of this report and about the outcome of your efforts to incorporate it into your marketing activities.
