Cuyahoga, Lorain, Medina, Noble, Perry, and Summit
counties.

Do you know how many of your clients were protected by
flood insurance during the most recent occurrences of
flooding in Ohio? How many of them suffered uninsured
flood losses? How many will not be insured the next time?

Are you uncertain of the rules and regulations for flood
insurance? Unsure of exactly how to write a policy? Are
you aware of your E&O exposure if you don't? Do you
know where to go for all the information needed?

No matter whether you are an NFIP novice or an experienced
writer of flood insurance, these seminars will provide you
with a beneficial understanding of how to effectively interact
with the NFIP. All agency and company personnel are urged
