MEMORANDUM FOR: Write Your Own (WYO) Principal Coordinators, NFIP Servicing Agent, Adjusting Firms and Independent Flood Adjusters

FROM: NFIP Training

SUBJECT: NFIP Claims Adjuster Workshop Update

FEMA NFIP is pleased with the excellent response we have seen from claims adjusters who are seeking to meet 2009 flood certification or recertification requirements by attending an NFIP Claims Adjuster Workshop. The response has been so great that additional workshops have been added to our schedule for those adjusters who have not yet attended a session.

- June 16, 2009 – Humble Civic Center in Humble, Texas
- June 26, 2009 – Marriott Jackson in Jacksonville, Florida

Adjusters can find more information about the workshop and sign-up at the NFIP Training Website (<http://www.nfipbureau.fema.gov/training/index.html>). Walk-ins will be accommodated if space is available, so preregistration is recommended to secure your seat.

NFIP certified claims adjusters must attend the 7-hour NFIP Claims Adjuster Workshop annually in order to retain active status in our systems.

cc: Vendors, IBHS

Required Routing: Claims, Adjusting Firms
