MEMORANDUM FOR: Write Your Own Company Principal Coordinators and the
National Flood Insurance Program (NFIP) Servicing Agent

Jhun de la Cruz

FROM: Jhun de la Cruz
Branch Chief, Underwriting
Risk Insurance Division

SUBJECT: Revised Leased Federal Property (LFP) Data and Reports

The purpose of this memorandum is to provide notification of revisions to the Leased Federal Property (LFP) data reports and record file layouts issued on July 10, 2009. The LFP revisions include the following:

- Leased Federal Property Data for All Addresses report, which includes all addresses identified as meeting the LFP description
- Leased Federal Property Data by WYO Company or Vendor report, which includes Active Policies (Including Expired Policies Within 90 Days)
- Revised record layouts for each report.

The LFP data files and reports are available at <ftp://www.bureau.nfipstat.com/ftpcommon>.

Updates to the LFP data and reports will be made on an as-needed basis. As updates occur, all WYO Companies and the NFIP Servicing Agent will be notified.

For more information regarding Leased Federal Properties, please refer to the new LFP Section in the October 1, 2009, *Flood Insurance Manual*.

If you have any questions, please contact the NFIP Bureau and Statistical Agent Underwriting Department at iServiceUnderwriting@ostglobal.com.
