A handwritten signature in black ink, appearing to read "Jordan S. Fried".

FROM: Jordan S. Fried
Acting Division Director

SUBJECT: Homeowner Flood Insurance Affordability Act (HFIAA)
Surcharge Reporting Guidance for the National Flood Insurance Program
New Business and Renewals

The Federal Insurance and Mitigation Administration provided advanced notice of financial reporting guidance for the new Homeowner Flood Insurance Affordability Act ("HFIAA") surcharges in a December 22, 2014, memorandum. The surcharges are effective on April 1, 2015. This memorandum details the monthly financial reporting guidance.

The effective date for reporting activity related to the HFIAA Surcharge has been advanced to February 1, 2015, in anticipation of early reporting of new business and renewals with an effective date of April 1, 2015.

BASIS OF THE HFIAA SURCHARGE

FEMA is developing procedures, documents, and schedules to accommodate the new annual premium surcharge for NFIP flood insurance policies of \$25 on all primary residences and \$250 for policies on non-residential properties and non-primary residences. The surcharges will be collected by WYO companies and by the NFIP Direct Servicing Agent.

The HFIAA Surcharge is not subject to the WYO Company Expense Allowance or the WYO Company Unallocated Loss Adjustment Expenses. Also, the WYO Company Growth Bonus calculation will only apply to premium and not to the HFIAA Surcharge or the Reserve Fund Assessment.

TRANSACTION RECORD REPORTING PROCESSING (TRRP) SUBMISSIONS

Statistical transactions for the HFIAA Surcharge cannot be submitted until the April 2015 processing cycle. Variances resulting from financial/statistical timing difference will not be monitored until the April 2015 processing cycle.
