MEMORANDUM FOR: Write Your Own (WYO) Principal Coordinators and the
National Flood Insurance Program (NFIP) Servicing Agent

A handwritten signature in black ink, appearing to read "Jordan Fried".

FROM: Jordan Fried
Acting Division Director
Risk Insurance Division

SUBJECT: Extension of Revision to Compliance Date for
Large-Font Policy Documents

In several previous bulletins, most recently W-14057 dated November 13, 2014, FEMA extended the stay for compliance with Section 5 of Attachment A of NFIP WYO Bulletin W-13070, "June 1, 2014 Program Changes" dated December 16, 2013. The implementation of the requirement to mail out revised policies that comply with 42 U.S.C. Section 4013a is being delayed until October 1, 2015, to allow FEMA to consult further with our WYO partners as outlined in the Homeowner Flood Insurance Affordability Act of 2014. This consultation will be used to determine what documents can be delivered or accessed electronically now and in the future, and the process to opt-out of receiving paper documents.
