MEMORANDUM FOR: Write Your Own (WYO) Company Principal Coordinators,
WYO Vendors, the National Flood Insurance Program (NFIP) Direct
Servicing Agent, and Independent Adjusting Firms

FROM: 
David I. Maurstad
Assistant Administrator for Federal Insurance
Federal Insurance and Mitigation Administration

SUBJECT: Advance Payments under the Standard Flood Insurance Policies
(SFIP) for Hurricane Harvey

Hurricane Harvey made landfall as a Category 4 hurricane along the Gulf Coast of Texas and Louisiana. The catastrophic event created severe storm surge impacting areas with heavy concentrations of NFIP-insured properties. The Federal Emergency Management Agency (FEMA) expects life-threatening flooding to continue across the middle and upper Texas coast with additional rainfall for several more days. To assist NFIP-insured survivors during the difficult weeks ahead, FEMA is making every effort to ensure the prompt settlement of claims to NFIP policyholders.

Therefore, I conditionally waive the Standard Flood Insurance Policy (SFIP) requirement that the policyholder provide a proof of loss prior to payment¹ to allow advance payments as described below. WYO Companies and the NFIP Direct Servicing Agent may offer one or both of these two advance payment opportunities to policyholders.

Advance Payment Opportunity One: Pre-adjuster Inspection

Once a policyholder provides a notice of loss, an insurer may offer an advance payment after confirming coverages and deductibles and validating that the insured property has flooded. Such advance payment may not exceed \$5,000. An insurer may offer a total advance payment of up to \$10,000 if the policyholder also provides the following documentation:

1. Photographs depicting flood damage to covered property; and
2. Either:
 - a. Documentation verifying out-of-pocket expenses related to the repair or replacement of covered property, such as receipts or canceled checks; or
 - b. A contractor's itemized damage estimate.

¹ Article VII.M.1 of the Dwelling Form of the SFIP (Appendix A(1) to 44 CFR Part 61); Article VII.M.1 of the General Property Form of the SFIP (Appendix A(2) to 44 CFR Part 61); Article VIII.M.1 of the Residential Condominium Building Association Policy (Appendix A(3) to 44 CFR Part 61).

Advance Payment Opportunity Two: Payment for Significant Damage

An insurer may offer a larger advance payment of up to 50 percent of the contractor's estimate prior to receiving a proof of loss if:

1. The insurer receives a contractor's estimate of necessary repairs on an item-by-item basis for the insured property; and
2. A flood insurance adjuster retained by the insurer has inspected the insured property.

Advance Payment Guidance

For both options, the insurer **must** notify the policyholder in writing of the following conditions:

1. The advance payment is not a payment for Additional Living Expenses (ALE). The SFIP specifically excludes ALE.
2. The insured must complete and sign an Advance Payment Request in order to qualify for an advance payment. In the Advance Payment Request, the insured must state the following:
 - a. The issuance and acceptance of an advance payment does not prejudice or waive any claim or defense available to either the insured or insurer.
 - b. The issuance and acceptance of an advance payment does not constitute an admission of coverage under the policy.
 - c. To the best of the insured's knowledge, the insured property suffered a covered loss.
 - d. If the loss is determined not to be a covered loss, or if the advance payment exceeds the amount of the actual covered loss, the insured recognizes that they are not eligible for the payment and agrees to repay the advance payment (or portion thereof).
 - e. The Additional Payment Request is not a proof of loss, and the insured will complete a proof of loss that complies with the SFIP to finalize any flood loss claim, except as may otherwise be authorized by the Administrator under any other applicable waiver.
3. Acceptance of an advance payment will not affect the insured's right to seek additional payment under the terms and conditions of the SFIP.
4. After the claim is settled, the insurer will reduce the final payment by the amount of any advance(s) made to the insured.
5. The insurer must include any mortgagee shown on the Declaration Page of the policy or any known mortgagee on the building property at the time of advance payment.
6. To finalize the claim, the insured must execute a proof of loss meeting the requirements of the SFIP for all amounts received, including the amount of the advanced payment, except as may otherwise be authorized by the Administrator under any other applicable waiver.

We are attaching a suggested Advance Payment Request template for your use.

If a WYO Company issues an advance payment in accordance with the terms and conditions set forth in this Bulletin to an insured suffering flood damages, FEMA will use these standards in all reviews or audits of files, including any reviews under the Arrangement or the *Improper Payments Information Act of 2002* (Public Law 107-300, 31 U.S.C. § 3321 note), as amended by the *Improper Payment Elimination and Recovery Act of 2010* (Public Law 111-204).

If a WYO Company makes an advance payment in accordance with the terms and conditions of this Bulletin, FEMA will not hold the company responsible for ineligible payments. The Company must make its best effort to recoup the funds, but if unable to do so, the recoupment will be referred to FEMA for appropriate action. However, if a WYO Company makes an advance payment that results in any unauthorized payment without complying with the terms and conditions set forth in this Bulletin, the Company will be responsible for the erroneous payment.

The insurer must obtain accurate information from the insured or the insured's representative regarding a temporary address when the claim is reported. The insurer should send the advance payment to the location of the insured, which might be a temporary address.

Again, we ask for your full support. Any questions or comments should be directed to FEMA-FIDClaimsMailbox@fema.dhs.gov.
