

FEMA

W-26002

July 15, 2026

MEMORANDUM FOR: Write Your Own (WYO) Principal Coordinators and the National Flood Insurance Program (NFIP) Direct Servicing Agent

FROM: NFIP Clearinghouse

SUBJECT: Elevation Certificate and Floodproofing Certificate Under Review

The FEMA Elevation Certificate, FEMA Form FF-206-FY-22-152 (formerly 086-0-33), and Floodproofing Certificate for Non-Residential Structures, FEMA Form FF-206-FY-22-153 (formerly 086-0-34), are currently under a 60-day Notice of Request for Comments in the Federal Register.

Until the Federal Register Request for Comments period is closed and the review process of the updated forms is complete, please continue to use the existing forms available on FEMA's website. Upon approval of the Elevation Certificate and Floodproofing Certificate for Non-Residential Structures, FEMA will issue a memorandum highlighting changes to the forms and update the website for immediate use of the newly approved forms with the new expiration date.

Direct questions regarding this memorandum to fema-nfipcustomerservicecenter@fema.dhs.gov.

cc: Vendors, WYO Companies, and Government Technical Representative
