DATA ELEMENT Cancellation/Voidance Reason

ALIAS: Cancellation/Nullification Reason

ACRONYM: WYO (PMF) CAN-REASON

FILE: Policy Master (PMF)

Actuarial (APOL)

DESCRIPTION:

Flood insurance coverage is terminated mid-year by either canceling or nullifying a policy depending upon the reason for this transaction. Premium refunds are permitted, if applicable, for the current year and 1 prior year for all valid reasons. The insured must have maintained continuous NFIP coverage to be eligible for any prior-year premium refund. All existing rules concerning the Federal Policy Fee, Probation Surcharge, Reserve Fund Assessment, HFIAA Surcharge, and producer commission remain in effect. See the reference chart on page 4-43A.

Building Sold or Removed, Destroyed or Physically Altered to no Longer Meet the Definition of an Eligible Building.

The insured has sold or transferred ownership of the insured property to another party and no longer has an insurable interest in the property at the described location, or the insured property or personal property has been completely removed from the described location. This reason is also used to cancel a policy when a structure is bought out or demolished according to an approved FEMA mitigation plan. If the building is sold or removed, TRRP reason 01 is also used if the builder or developer has requested to cancel the policy mid-term because a newly created association has purchased a policy under its name. The cancellation effective date is the date the building was sold or removed.

1. Building Sold or Removed.

TRRP Reason Code: 01
Number of Policy Years Allowed: 5*

*The WYO companies are responsible for canceling and returning the premium up to 2 policy years. If additional policy years are allowed, the request must be sent to the NFIP Bureau & Statistical Agent for processing.

Cancellation effective date is:

- Current term-- Use pro-rata refund.
- Prior year (mid-year)--Pro-rata refund for prior term and full refund for any additional term. The prior policy year that is canceled mid-term is pro-rata refund.

Closed Claim without Payment: Policy can be canceled.

Closed Claim with Payment: Cancellation effective date must be after the loss date.

2. Contents Sold or Removed.

Closed Claim with Payment: Cancellation effective date must be after the loss date.

3. **Policy Canceled and Rewritten to Establish a Common Expiration Date with Other Lines of Insurance.** The new policy must be rewritten within the same company for the same or higher amounts of coverage. However, if it is rewritten for higher amounts of coverage, the waiting period rule will apply. The producer must submit a new Application and premium. Upon receipt of the new policy Declarations Page, the producer should request **cancellation** of the prior policy. The cancellation effective date is the same as the effective date of the new policy.

TRRP Reason Code: 03
Number of Policy Years Allowed: 1

Premium Refund:

- Full- N/A
- Pro-Rata- Pro-rata refund of premium (including SRL Premium, ICC premium and Reserve Fund Assessment) and HFIAA Surcharge. Federal Policy Fee and Probation Surcharge are not refunded for policy year that is canceled mid- year. If applicable, HFIAA Surcharge will be pro-rata effective October 1, 2017.

Cancellation effective date is:

- Current year (mid-year)--Use pro-rata refund.

DATA ELEMENT: Cancellation/Voidance Reason (Cont'd.)

DESCRIPTION: (Cont'd.)

Open Claim: Policy cannot be canceled.

Closed Claim without Payment: Policy can be canceled.

Closed Claim with Payment: Cancellation effective date must be after the loss date.

4. **Duplicate Policies (NFIP)**. When a duplicate NFIP policy has been issued, only one policy can remain in effect. The insured can choose which policy is to remain in effect and which policy is to be canceled. This does not apply when there has been a deliberate creation of duplicate policies. If this event does occur, the policy with the later effective date must be canceled. Losses occurring under such circumstances will be adjusted according to the terms and conditions of the first policy.

When coverage has been force-placed by a lender using a conventionally written standard policy because the required underwriting information is available, that policy is considered equivalent to the MPPP policy. The WYO Company is authorized to cancel the standard (force-placed) or the MPPP policy, provided that a copy of the force-placement letter from the mortgagee is submitted with the Cancellation/Nullification Request Form.

Effective 11/1/15, full refund of premium (including SRL Premium, ICC and Reserve Fund Assessment) from date of duplicate coverage (up to 5 years prior to the date of cancellation request). Except as stated below, the policy with the later effective date must be canceled.

The policy with the earlier effective date may be canceled in only three instances: the GFIP, MPPP or a policy expired more than 30 days. In this instance, for a policy year that is canceled mid-term, the refund of premium and Reserve Fund Assessment will be pro-rata. There is no refund for the GFIP. When the effective dates are the same, the insured may choose which policy to cancel.

DATA ELEMENT: Cancellation/Voidance Reason (Cont'd.)

DESCRIPTION: (Cont'd.)

TRRP Reason Code: 04

DATA ELEMENT: Cancellation/Voidance Reason (Cont'd.)

DESCRIPTION: (Cont'd.)

NOTE: A policy may be canceled back to the inception date of the policy, subject to the 5-year limitation. The WYO companies are responsible for canceling and returning the premium for the current and 1 prior policy year, provided that it was the insurer for that period. If another NFIP insurer was the insurer for the prior policy year, the insurer for that year will be responsible for refunding the premium.

The NFIP Bureau & Statistical Agent will refund the premiums for the additional prior years beyond the current year and 1 prior policy year.

5. **Non-Payment**. Applicable to insured's check returned for insufficient funds, or credit card error. When a producer accepts a premium payment from a client and then submits an agency check to the NFIP with the application, the policy may be nullified if the client's check to the agent is not good or is not made good to the agent. If the agent can document this, full premium refund is provided to the agent. If a WYO company has covered the premium for a prospective insured and then does not receive payment, the policy can be nullified.

NOTE: Cancellation effective date must be the same as the current policy year effective date.

6. **Ineligible Risk.** This is used to *nullify* a policy that was ineligible at the time of initial application. A clear and precise explanation must be included when submitting this type of cancellation request. Examples include (1) property not located in a community participating in the NFIP (an incorrect community number allowed policy to be issued), (2) contents are located in an open building, (3) the property is a camping trailer and not a manufactured (mobile) home, (4) CBRS area or (5) 1316 property. This reason may also be used to cancel a policy for a property that became an ineligible risk mid-term.

TRRP Reason Code: 06
Number of Policy Years Allowed: 5*

*The WYO companies are responsible for canceling and returning the premium up to 2 policy years. If additional policy years are allowed, the request must be sent to the NFIP Bureau & Statistical Agent for processing.

Premium Refund:

- Full- Full refund of premium (including SRL Premium, ICC premium and Reserve Fund Assessment). Federal Policy Fee, Probation Surcharge and HFIAA Surcharge are fully refunded.
- Pro-Rata- Pro-rata refund of premium (including SRL Premium, ICC premium and Reserve Fund Assessment) and HFIAA Surcharge. Federal Policy Fee and Probation Surcharge are not refunded for policy year that is canceled mid- year.

DESCRIPTION: (Cont'd.)

Open Claim: Policy cannot be canceled.

Closed Claim without Payment: Policy can be canceled.

NOTE: A policy may be canceled back to the inception date of the policy. The WYO companies are responsible for canceling and returning the premium for the current and 1 prior policy year, provided that it was the insurer for that period. If another NFIP insurer was the insurer for the prior policy year, the insurer for that year will be responsible for refunding the premium.

The NFIP Bureau & Statistical Agent will refund the premiums for the additional prior years beyond the current and 1 prior policy year.

8. **No Insurable Interest.** This reason is used to *nullify* a policy when a policy is issued for a closing at the time of settlement on a property and the transfer of the property does not take place. The client does not actually acquire an insurable interest in the property.

9. PMR (Physical Map Revision) or LOMR with Lender Release.

Flood insurance was initially required by the mortgagee or other lender because the property was determined to be in a Special Flood Hazard Area (SFHA). Following a map revision, if the property is no longer located in an SFHA, a policy may be canceled provided the mortgagee confirms in writing that (1) the insurance was required as part of the mortgage and (2) the lender no longer requires the flood insurance policy. The effective date of the cancellation is the date the cancellation request was received by insurer.

If the policy renewed shortly after the cancellation request was received by the insurer, the policy will receive a full refund of premium (including SRL Premium, ICC and Reserve Fund Assessment), and a full refund of Federal Policy Fee, Probation Surcharge, and HFIAA Surcharge for the renewed policy term.

Note: RCBAP policies require a release from the mortgagee of every unit owner in the association or a statement of the unit owner, if no mortgagee. Only after this requirement is met can the policy be canceled.

16. **FEMA Letter of Determination with Lender Release.** Flood insurance was initially required by the mortgagee or other lender because the property was determined to be in a Special Flood Hazard Area (SFHA). Following a review with FEMA under the Flood Disaster Protection Act of 1973, as amended, FEMA issued a Letter of Determination Review (LODR) because the building or manufactured (mobile) home is not in an SFHA and insurance is not required. The effective date of the cancellation is the date the cancellation request was received by the insurer. If the policy renewed shortly after the cancellation request was received by the insurer, the policy will receive a full refund of premium (including SRL Premium, ICC and Reserve Fund Assessment), and a full refund of Federal Policy Fee, Probation Surcharge and HFIAA Surcharge for the renewed policy term.

This cancellation reason can only be used if the request from the borrower and lender was sent to FEMA for a LODR within 45 days from the lender's notification to the borrower that the building is in an SFHA and that flood insurance is required.

20. **LOMA with Lender Release.** Where flood insurance was required by the mortgagee or other lender because the property was determined to be in an SFHA, and it is later determined that the property is no longer located in an SFHA through the issuance of a LOMA, the policy can be canceled provided the lender confirms in writing that (1) the insurance was required by the lender and that (2) the lender no longer requires the retention of the flood insurance. A copy of the LOMA must accompany this request.

IF the LOMA effective date is during current policy year, and if no claim has been paid or is pending during the policy year that is being canceled, the policy cancellation date is the beginning of the policy year. A full refund of the premium (including SRL Premium, ICC and Reserve Fund Assessment) and HFIAA Surcharge will be made for the policy year being canceled. No refund of the Federal Policy Fee and Probation Surcharge.

If the LOMA effective date is 60 days prior to the policy renewal effective date, and if no claim has been paid or is pending during the policy years that are being canceled, a refund of the full premium (including SRL Premium, ICC and Reserve Fund Assessment) and HFIAA Surcharge will be made for the policy years being canceled. No refund of the Federal Policy Fee and Probation Surcharge for either policy year being canceled.

EXAMPLES OF PREMIUM REFUND AND EXPENSE ALLOWANCE CALCULATIONS

All Cases: It is assumed that the WYO company has deposited the net premium, Federal Policy Fee (FPF), HFIAA Surcharge, Probation Surcharge and Reserve Fund Assessment to the restricted account and is paying premium refunds from that account.

The expense allowance of 32.9 percent used in the examples is based on the 1997-98 Arrangement, for those companies achieving a 10% growth rate, and is subject to change. Such a change would also affect the "Difference between Expense Allowance and Commission Percentages." However, the logic of the calculations would remain the same.

The Federal Policy Fee went into effect June 1, 1991. The Reserve Fund Assessment went into effect October 1, 2013. The HFIAA Surcharge went into effect April 1, 2015. For calculating refunds on policies effective prior to the Federal Policy Fee, Reserve Fund Assessment, or HFIAA Surcharge, the following examples still apply by using a Federal Policy Fee, Reserve Fund Assessment or HFIAA Surcharge of zero dollars. The Federal Policy Fee and Reserve Fund Assessment amounts may change over time or vary for each policy, however, the logic of calculation remains the same. In addition, the logic of the calculations remains the same even if the Federal Policy Fee, HFIAA Surcharge or Reserve Fund Assessment values are zero dollars.
