

POST-DISASTER RECOVERY RESOURCES

FEMA's National Flood Insurance Program (NFIP) supports you and your community before, during and after flood events. With NFIP resources, you'll have the information needed to navigate your recovery process.

All publications are available as PDFs and the information can also be printed from the Floodsmart website.

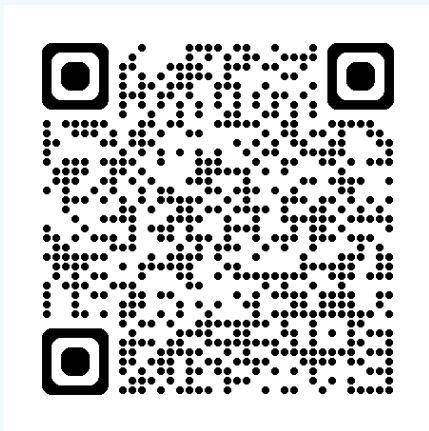

RESOURCES FOR NFIP POLICYHOLDERS

FEMA understands the challenges flood survivors face. The NFIP is prepared to support policyholders throughout the claims process by sharing resources available to help you.

THE RESOURCES YOU NEED

Scan the QR code to quickly access disaster recovery resources for NFIP policyholders.

You'll find guidance on starting a claim and next steps to take after a flood.
